### INDEPENDENCE DAY CELEBRATION

The City of Ponca City's free fireworks display at Lake Ponca will be held on Tuesday, July 4 at 9:50 p.m. The colorful pyrotechnic and musically choreographed fireworks show will fill the night skies over beautiful Lake Ponca to celebrate America's Independence Day. The fireworks will be choreographed to music and can be heard by turning to local radio station KPNC-FM 100.7 or KLOR 99.3 FM. A safety zone will be buoyed off on Lake Ponca beginning at approximately 7:00 p.m. on July 4. If you are in a water craft on Lake Ponca after 7:00 p.m., please stay out of the buoyed off area until the fireworks and the buoys have been removed.

Please remember: Private fireworks are not allowed on or around the Lake Ponca Recreation Area or any of the roadways or water areas around Lake Ponca.

# FIRE NEWS Fire Department

### 10 TIPS FOR FIREWORK SAFETY

- 1. Always use fireworks outside and have a bucket of water/hose nearby in case of accidents.
- 2. **Designate a safety perimeter.** If you have ground-based fireworks like a fountain, spectating from at least 35 feet away is best. For aerial fireworks, you'll want everyone to move back to a distance of around 150 feet.
- 3. **Ditch faulty fireworks.** Sometimes fireworks don't go off, but duds always pose a risk. The important thing to know is that you should never try to relight or approach a failed firework. Let duds sit for 5 10 minutes before you put them in a bucket of water. This can prevent injury from a delayed explosion and disarm the firework permanently so you can safely dispose of it.
- 4. **Supervise children when they are handling sparklers.** Sparklers burn at about 2,000 degrees Fahrenheit—hot enough to melt some metals. Sparklers can quickly ignite clothing, and children have received severe burns from dropping sparklers on their feet or touching body parts.
- 5. **Don't forget about your pets!** Fireworks can be extremely stressful for pets, but there are ways to help reduce their fear and anxiety. Keep your pets indoors. Close the curtains or blinds and turn on the TV or radio to provide some distraction. Treat toys filled with their favorite food may also help keep their minds busy and distract them from the fireworks.
- 6. Soak both spent and unused fireworks in water for a few hours before discarding.
- 7. Never place a part of your body directly over a firework or hold a firework in your hand when lighting. To safely light fireworks, make sure they are secured on the ground away from people and animals and use a stem lighter such as a grill lighter.
- 8. **Only light one firework at a time.** Lighting multiple fireworks at the same time increases the risk of accidents occurring from the fuse burning faster than designed.
- 9. **Avoid alcohol consumption when handling or using fireworks.** This should be pretty self-explanatory.
- 10. Consider safe alternatives to fireworks such as party poppers, bubbles, silly string, or glow sticks.

As a reminder, the use of fireworks within the City limits of Ponca City are prohibited.

The City Code states: It shall be unlawful for any person to possess, store, to offer for sale, expose for sale, sell at retail or use or explode any fireworks.
